

1:3 Range Meal

PRODUCT DESCRIPTION

Southern Seed & Feed has designed this 1:3 Range Meal to have many different benefits. 1:3 Range Meal will economically limit feed intake and will aid in the digestion and utilization of forage. It is also fortified with vitamin A, vitamin E, and vitamin D. 1:3 Range Meal is an energy source to help combat adverse winter conditions.

FEEDING DIRECTIONS

1:3 Range Meal can be feed as free choice as supplementing feeding. Feed 1:3 Range Meal with good quality hay, silage or winter grazing for wintering beef cattle. Always provide fresh, clean water.

WARNING:

Do not feed this product to sheep.
