

# 3-IN-1 BLOCK

**PRODUCT CODE:** Y5001BLK

**FORM:** 40 lb block

**APPLICATION:**

A self-fed source of salt, vitamins and trace minerals for beef cattle and horses on pasture.

**FEEDING DIRECTIONS:**

Provide one block for every 5-15 head of animals. If more than one block is required, place at least 10 feet apart to allow ample spacing for consumption. Consumption should be approximately 5 oz per head daily. If consumption is too high, move block(s) farther away from water source and high traffic areas. If consumption is too low, do the opposite. When first introducing the block, consumption levels can vary considerably. Do not feed to starving animals. Consider offering some free choice salt beside the block if initial consumption is too high. This can slow down consumption long enough for the animals to balance out intake. Always ensure there is plenty of forage available as this product has been formulated to serve as a supplement only, not a source of complete feed. Always offer plenty of fresh clean water

**CAUTION:** Use as directed. Selenium intake should not exceed 3 mg per head daily.

**WARNING:** Contains added copper. Do not feed to sheep.

**GUARANTEED ANALYSIS:**

Calcium (Ca) (Min.)	5.00%
Calcium (Ca) (Max.)	6.00%
Phosphorus (P) (Min.)	4.00%
Salt (NaCl) (Min.)	15.50%
Salt (NaCl) (Max.)	18.60%
Magnesium (Mg) (Min.)	1.00%
Copper (Cu) (Min.)	40 ppm
Selenium (Se) (Min.)	21 ppm
Zinc (Zn) (Min.)	170 ppm
Manganese (Mn) (Min.)	150 ppm
Vitamin A (Min.)	100,000 IU/lb
Vitamin D3 (Min.)	10,000 IU/lb
Vitamin E (Min.)	100 IU/lb

**INGREDIENTS:**

Processed Grain By-Products, Salt, Monocalcium Phosphate, Molasses Products, Calcium Carbonate, Lignin Sulfonate, Calcium Hydroxide, Active Dry Yeast, Yeast Extract, Magnesium Oxide, Vitamin A Supplement, Potassium Sulfate, Magnesium Sulfate, Potassium Chloride, Vitamin D<sub>3</sub> Supplement, Vitamin E Supplement, Copper Sulfate, Ferrous Sulfate, Manganese Sulfate, Zinc Sulfate, Cobalt Sulfate, Ethylenediamine Dihydroiodide, Zinc Amino Acid Complex, Manganese Amino Acid Complex, Copper Amino Acid Complex, Cobalt Glucoheptonate, Sodium Selenite
