

Ultra Scratch

Made with All Natural Grains

PRODUCT DESCRIPTION

This ration is fortified with the appropriate vitamins and minerals to increase health and eliminate sickness in poultry. A select variety of hi-quality grains and oils have been specially cleaned and formulated to meet the needed energy and protein levels for the nutritional requirements of your adult flock. This feed contains only natural ingredients and is easily digestible.

FEEDING DIRECTIONS

Ultra Scratch may be fed any time after the chicks are 5 weeks of age. Start by introducing this feed in small amounts and may be gradually increased up to feeding as a free choice feed. Always monitor the condition and health of your birds. Provide fresh water away from other animals to prevent the spreading of disease.
