

PRODUCT DESCRIPTION:

We offer Redmond 10 Fine—premium natural sea salt with more than 60 naturally occurring trace minerals including zinc, manganese, cobalt, copper, iodine and more. 10 Fine is free of chemical processing, preferred by livestock, and helps with health and production.

FEEDING DIRECTIONS:

Mix Redmond 10 Fine into your feed or provide it free choice to get your animals a blend of natural sea salt. Redmond 10 Fine's mineral-rich granules are the perfect size for mixing or feeding free choice. 10 Fine can be used for all classes of livestock.

Try it in your herd: put any salt or mineral next to Redmond 10 Fine and see which one your animals choose. Lowers Daily Costs Reduce your costs on custom mineral mixes. 10 Fine has the trace minerals that livestock need. Because of mineral deficiencies in soils and feed, you may need to add more of a specific mineral than Redmond 10 Fine provides. If you contact us, we can help you with that too. No Chemical Processing Redmond 10 Fine is unrefined and OMRI certified. Our ratio is 93% sodium chloride, 7% trace minerals, and 0% synthetic chemicals.
