

## Futurity Precise<sup>®</sup> Premium Hoof & Health Mineral

Product number: 58630

### Product Information

FUTURITY PRECISE Premium Hoof & Health Mineral is a high quality mineral and vitamin supplement scientifically formulated to promote the well-being of your horses through proper nutrition. Added BIOPLEX trace minerals and biotin help to enhance equine diets that may be lacking in key nutrients. Research has shown that organic trace minerals and biotin help contribute to hoof integrity and animal health.

- Designed especially for the nutritional needs of horses to promote health and well-being through proper nutrition
- Delivers high quality, plant-based protein during times of low forage quantity or quality
- Ideal for all classes of horses
- Added biotin and organic zinc to support strong, healthy hoof growth
- High quality nutritional package, including organic minerals from BIOPLEX for improved bioavailability
- Added BIO-MOS to optimize gut health during stressful periods
- Added thiamine to aid optimal energy metabolism
- Highly palatable formula designed to keep your horses coming back for more
- Conveniently sized, 25-lb pressed block is easily transported
- Ideal for horses of all ages and compliments most equine feeds

NET WEIGHT: 25lbs.

*BIOPLEX<sup>®</sup> and BIO-MOS<sup>®</sup> are registered trademarks of Alltech*

### Feeding Instructions

Provide to horses on a self-fed basis. Adult horses should consume an average of 4 to 5.5 ounces per head daily. Mineral consumption levels will vary depending upon the mineral status of the animals and environmental conditions. Provide fresh, clean water to all animals at all times.

**CAUTION:** Use as directed. Consumption of selenium should not exceed 3 mg per head per day.

**WARNING:** This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.
